City View is looking for an Associate Pastor of Education & Youth to join in what God is doing in North Knoxville and beyond. This ministry partner will be a vital part of our leadership team, helping the church accomplish our mission of following Christ, showing His love, and making disciples to the ends of the earth. This person should have a vibrant walk with Christ and desire to keep learning as a leader. He will guide and strengthen the overall education and discipleship effort of our church, encouraging ministry leaders and teachers, improving our discipleship strategy, and equipping teams to serve. He should also be highly relational with both middle- and high-school-aged students and ready to engage and lead our youth ministry team in teaching and connecting with youth and their families.

Our aim is to reproduce Christ-following, love-showing, disciple-making Christians for God's glory. If, after praying, this seems to be the work God would have you do, please send your résumé with references and statement of faith to ym@cityview-knox.org or Associate Pastor Search Committee, City View Baptist Church, 2311 Fine Avenue, Knoxville, TN 37917
